# Create **productive** and **inspiring** spaces

THROUGH IOT, VISITOR MANAGEMENT,  
WAYFINDING KIOSKS AND DIGITAL SIGNAGE  
MODES.

LEARN MORE

# A full-stack approach to Smart Buildings.

BRINGING YOU APP CHOICE,  
FLEXIBILITY, AND  
UNPARALLELED VALUE

# Welcome. Search. Promote. Engage.

## FIVE MODES, ONE INSPIRING EXPERIENCE

Inspire is a family of ergonomic real-time digital kiosk and signage applications built for every corner of every building.

Inspire has tailored modes for visitor management, lobby and floor kiosks, zone signage and meeting room scheduling. License the modes you want; in the locations you want to transform.

## FEATURE HIGHLIGHTS

- ✓ Visitor management tablet application and notification service
- ✓ User friendly self-service kiosks, for every part of the building (lobbies, floors, zones)
- ✓ Real-time digital signage
- ✓ Search, explore and locate spaces, amenities, people and equipment
- ✓ Sign in to a kiosk and book on-demand
- ✓ Interactive maps and wayfinding visualisations
- ✓ Flexible device positioning, and hardware agnostic

# Inspire Visitor Management.

FEATURES 1/4

FIRST IMPRESSIONS MATTER. WE'VE GOT YOU.

## Intuitive Hands-free Check-in/out Experiences

Delight your visitors by serving up intuitive check-in/out experiences and hassle-free registration services. Step 1: walk up to the tablet application. Step 2: select check-in (or checkout-out if you're leaving). Step 3: enter your unique visitor number or scan your QR code sent on email. Step 4: get ready to be guided to your favourite space.

## Visitor Notifications

Irradicate lost time with your visitors. Inspire Visitor Management will notify the host via IBSS Roamer, Flex or Email, when their visitor has arrived and checked in.

# Inspire Lobby.

FEATURES 2/4

SEEING IS BELIEVING

## At-a-glance Signage

Reduce dwell times by ergonomically displaying real-time information of the entire building. Inspire Lobby enables visitors and occupants to make lean data-driven decisions - whether it's avoiding certain spaces due to overcrowding, selecting the quietest floor to work, or navigating their way to a pre-booked desk.

## Interactive Kiosks & Geospatial Maps

Find what you need when you need it. Inspire Lobby can also come as an interactive display - search for what you need in the building and be geo-spatially guided to your chosen destination.

# Inspire Floor.

FEATURES 3/4

## KNOW YOUR FLOOR

### At-a-glance Signage

After arriving on a given floor, Inspire Floor enables occupants and visitors to know their surroundings and make on-the-fly, data-driven, decisions that benefit all-round productivity and experience. Whether it's an appreciation of the indoor air quality and overall utilisation of that floor, or a quick glance at the digital floor layout to see what desks are available and where they need to go to claim them.

### Interactive Kiosks & Geo-spatial Maps

Find what you need when you need it. Inspire Floor provides structure search capabilities that enable occupants to find who and what they need – whether it's amenities, people, workstations or meeting spaces.

### On-demand Booking

Need a meeting room or desk but haven't pre-booked? Notice that your favourite touch-down space is available for the next few hours? Sign in to Inspire via the secure IBSS authenticator, and within a few clicks secure your space..

The Inspire Floor interface includes:

- Popular Spaces Availability:**

Type	Availability
Standard Desk	71
Private Booth	84
Meeting Room	95
- Floor Plan:** Shows the layout of Floor 3 with icons for different workspace types and availability status (Available, Occupied, Could be free, Out of service).
- Search Function:** Allows users to search for specific locations or amenities.
- Workspaces and Amenities:** Lists popular workspace types and their availability, along with icons for various amenities like kitchens and lockers.
- IBSS Integration:** A note indicating the system is "Powered by IBSS" and a QR code for mobile app access.

# Inspire Scheduling.

FEATURES 4/4

CONFERENCES AND  
MEETINGS MADE EASY

## Conference & Meeting Schedules

Inspire Schedule is a Digital Signage application for room, conference, and meeting schedules. The application displays bookable rooms within an area of the building and the subsequent occupancy, booking status, now and next bookings, and host names

This digital signage display shows room availability for two rooms: Buckingham and Winchester. The display includes the room name, current status (Now or Next), booking details (Meeting name or Workshop name), and the host's name (J.Hamilton or P.Jenkins). It also indicates if the room is available or booked.

Room	Status	Booking Details	Host Name
Buckingham	Now	Available	
Buckingham	Next	No bookings for today	
Winchester	Now	8:00 - 10:00, Meeting name	J.Hamilton
Winchester	Next	10:00 - 12:00, Workshop name	P.Jenkins

This digital signage display shows room availability for multiple rooms on Floor 7. The display includes the room name, current status (Now or Next), booking details (Meeting name or Workshop name), and the host's name (J.Hamilton, P.Jenkins, W.Jackson). It also indicates if the room is available or booked.

Room	Status	Booking Details	Host Name
Buckingham	Now	Available	
Buckingham	Next	No bookings for today	
Winchester	Now	8:00 - 10:00	J.Hamilton
Winchester	Next	10:00 - 12:00	P.Jenkins
Balmoral	Now	8:00 - 10:00	W.Jackson
Balmoral	Next	10:00 - 12:00	Available
Sandringham	Now	Available	
Sandringham	Next	No bookings for today	
Windsor	Now	8:00 - 10:00	Available
Windsor	Next	10:00 - 12:00	P.Jenkins
Cambridge	Now	8:00 - 10:00	W.Jackson
Cambridge	Next	10:00 - 12:00	Available

# Reimagine your Digital Workplace with IBSS.

WORK WILL NEVER BE THE SAME

Work is about the work we do, not where we do it. Hybrid work isn't just about mixing remote and in-person work, it's about adapting to how our teams work and creating in-building experiences that enrich everyone's lives. All the IBSS user experience and operational apps have been designed to help our clients excel in delivering collaborative, sustainable, inspiring, and space optimised buildings.

CULTURE CHANGE

EMPLOYEE FIRST

EMPLOYEE FIRST

EMPLOYEE FIRST

## Plan your Workplace

For the Hybrid Workplace to be a success it must be well planned, taking into account the employees, culture and model of the business.

## Health & Wellbeing

It's time we fully advocate for well-being. Getting the work-life balance can be difficult, so let's reduce burnout and foster deeper relationships for and between our people.

## Creativity & Productivity

Digital workplaces empower choice when it comes to deciding which work is best done in-person. It's time to remove distractions and empower our workforce to get creative.

## Share Delightful Experiences

Make the experiences in your building memorable ones ( and yes, memorable for the right reasons). Whether you're in the building 3 days a week or just a visitor - delight your occupants with seamless digital experiences.

CULTURE CHANGE

## Sense of Belonging

Buildings in general can offer a real sense of cultural identity and belonging, especially when we adopt an inclusive, supportive, and tech-enabled approach to office work.

SUSTAINABILITY

## Champion Sustainable Spaces

We are all stewards of the planet, and it's the responsibility of the entire workplace to champion climate change.

CULTURE CHANGE

## Measure the Value

Making the shift to Hybrid will mean altering the metrics you measure for building performance, productivity and employee satisfaction.

CULTURE CHANGE

## Attract & Retain the Best People

Eliminate barriers and create spaces that attract the best talent in the market.

**Companies that adopt a hybrid approach will likely use offices to develop more emotional connections, facilitate collaboration, and create human experiences.**

BERRY, J. AND FEUCHT, K. (2021)

# Our App Suite.

A CONSISTENT USER INTERFACE  
& CROSS-APP EXPERIENCE

World-class Apps Powered by a  
Cloud-Scalable Digital Twin

Roamer, Unity, Inspire, Flex, Connect, OneLens  
and our Admin Portal are all part of a family of UX,  
operational and self-administrative IBSS applications.  
All of these applications are underpinned by –secure  
and resilient IBSS Data Digital Twin.

## **ICONICS UK**

Opening in 1991, ICONICS UK brings worldclass service and support for ICONICS software tools to the UK marketplace. Acting as a support and delivery centre of excellence, ICONICS UK provide a full suite of services from product and partner support and training, design and implementation consultancy, through to full project delivery and software development. Our team have many years of experience in the software automation industry, with a strong track record of successful project delivery.

## **IBSS Platform and Apps**

ICONICS UK have taken their robust solution delivery experiences in the Smart Buildings market and combined that with the latest platform capabilities of ICONICS and Microsoft Azure to form a cloud-based Intelligent Buildings Software Stack (IBSS). Acting as a semantic digital twin, IBSS natively comes with suite of user experience and operational excellence applications that support a variety of outcomes for the Built World. From sustainability and net zero initiatives, to digital workplace and real estate optimisation projects – we've got you covered.

## **ICONICS Global Company Culture and Partners**

ICONICS promote an international culture of innovation, creativity and software excellence in product design, development, technical support, training, sales and consulting services. This applies to end users, systems integrators, OEMs and Channel Partners. ICONICS has over 300,000 applications installed in multiple vertical industries worldwide. ICONICS world headquarters is located in Foxborough, Massachusetts, USA, and the company has offices located throughout the U.S., Europe, Asia, and Australia.
